SENATOR SHEPHERD'S BILL.
Senator Sherman's bill to regulate the election of representatives in congress provides an elaborate system of electoral officers and boards under the authority of the national government. Its operation would extend to every State, every congressional district and every voting precinct in the country, and would provide entirely new machinery for registration and voting, superseding, so far as the electing of representatives is concerned, the present arrangements established by State authority.

SENATOR SHEPHERD'S BILL.
Senator Sherman's bill to regulate the election of representatives in congress provides an elaborate system of electoral officers and boards under the authority of the national government. Its operation would extend to every State, every congressional district and every voting precinct in the country, and would provide entirely new machinery for registration and voting, superseding, so far as the electing of representatives is concerned, the present arrangements established by State authority.
